Your Dental Benefits

As a subscriber with The Commonwealth of Virginia, your dental benefits are administered by Delta Dental of Virginia. With Delta Dental you have your choice of more than 7,100 dental locations throughout Virginia* and more than 348,000 dental offices across the country*. All dentists who have agreed to participate in a Delta Dental network will file your claims for you, will accept Delta Dental's allowances for services (in addition to any required coinsurance and deductible) and will abide by Delta Dental's guidelines for dental treatment.

The Delta Dental Network

Delta Dental offers Commonwealth of Virginia members its largest network, with more than 86% of all dentists in Virginia**. When you receive your dental care from a Delta Dental participating dentist, you will not be responsible for any charges that exceed Delta Dental's allowance for the covered services you receive. This means your out-of-pocket expenses will be limited to the amount of your coinsurance, deductible and any amounts that exceed your annual or lifetime maximums.

Receiving care from dentists outside the Delta Dental Network

Should you decide to receive dental care from a dentist who is not a member of the Delta Dental Network, you will still receive benefits from your dental plan, but your share of the cost will likely be higher than if you visit a network dentist. In addition, you may have to file claims yourself.
