

## KidsCare

---

Children do most of their learning through their eyes,\* but vision problems may impact their success. That's why DeltaVision has partnered with VSP® Vision Care to offer KidsCare. KidsCare meets the eye health needs critical to children's development and is already included in your vision plan.

### ADDITIONAL BENEFITS

Growing children can experience significant vision changes or outgrow their prescription glasses in as little as one year. With KidsCare, parents can:

- Get two fully-covered WellVision Exams® per year for children
- Receive frames and lenses or contacts every year
- Add an additional, covered pair of lenses if their children's prescription changes in the same benefit year

Take care of your children's eye health with KidsCare as part of your DeltaVision benefits. View your benefits or find a VSP vision care provider at [vsp.com](https://vsp.com) or call 800.877.7195.
