

# New shades for FREE with One&Sun™!

Regular eye exams are a healthy habit that can help spot the early signs of chronic health conditions such as diabetes and heart disease,\* but they also now come with an added reward — FREE designer sunglasses. The DeltaVision — 150 Plus One & Sun plan includes One & Sun, a program that provides FREE sunglasses to help protect your vision.

## HOW IT WORKS

1. After your eye exam, you will receive a unique redemption code in the mail within six to eight weeks. The plan subscriber and their covered spouse are each eligible for a pair of sunglasses after an eye exam. Children are not eligible.
2. Once you receive the redemption code, you have 90 days to go to [oneandsun.com](https://oneandsun.com) and choose a pair of sunglasses. You can choose

from a range of styles and brands such as Ray-Ban®, Oakley®, Wiley X, Europa Invu and more. Prescription sunglass lenses are not included in the One & Sun program.

3. After the order is placed, you will receive your sunglasses in the mail within two weeks — and you don't have to pay for shipping!

**Redemption codes must be used within 90 days after they are issued.** If the code expires, you may qualify for a new code the following benefit year. You and your covered spouse can receive one pair of sunglasses every two years as long as you remain on the DeltaVision — 150 Plus One & Sun plan\*\* — in addition to your regular vision benefits for prescription eyeglass lenses and frames.
