

Our promise to our communities

2020 Community Impact Report

Last year, Delta Dental companies and foundations **impacted more lives**, **supported more programs**, and **made greater financial investments** than in any other year in our history.

2020 funding breakdown

Oral health treatment, education, and research

In 2020...

- **24.7 million** lives impacted
- **2,400+** programs funded
- Over **\$102.5 million** invested
- **50** states, D.C., and Puerto Rico served
- **20,000** hours volunteered

*"As our country grappled with a pandemic, injustice, and lingering gaps in oral health care access and education, Delta Dental stood with our communities to meet their most pressing needs. In a time of crisis and uncertainty, **Delta Dental never wavered in its enduring commitment to achieve access and equity for all.**"*
